PROFESSIONAL SUMMARY

Computer Science and Engineering student with hands-on experience developing responsive web applications using React.js, Next.js, JavaScript, HTML, CSS, Java, SQL, and the MERN stack. Strong foundation in REST APIs, Git, data structures, and algorithms with a passion for building scalable applications, writing clean, reusable code, and following software engineering best practices.

EDUCATION

Karmaveer Dadasaheb Kannamwar Engineering College

2023 – 2027

B.Tech. in Computer Science and Engineering - CGPA: 7.3

Nagpur, Maharashtra

VMV Commerce JMT Arts & JJP Science College

2020 – 2022

HSC (PCM) — MSBSHSE - Percentage: 67.67

Nagpur, Maharashtra

Prashant High School

2011 – 2020

SSC — MSBSHSE - Percentage: 89.4

Nagpur, Maharashtra

COURSEWORK

- Data Structures & Algorithms
- Operating Systems
- Computer Networks
- Object-Oriented Programming (OOP)
- Software Testing
- Software Engineering
- Database Management System (DBMS)

EXPERIENCE

Web Development (Frontend) Intern 

Jan 2025 – Mar 2025

Infosynch Software Solution Pvt. Ltd.

Nagpur, India

- Collaborated with senior developers in Agile Scrum workflows, participating in code reviews and proactively iterating on feedback to ship higher-quality code with improved clarity and communication.
- Built and maintained web application features using HTML, CSS, and JavaScript by developing new features and fixing bugs to improve application stability and user experience.
- Applied clean code practices and object-oriented design principles to develop responsive, well-documented frontend components adaptable across environments, ensuring maintainability for production-grade projects.
- Used Git for version control, managing branches and pull requests across development and test environments to maintain clean deployment workflows and support quality assurance through repeatable releases.

PROJECTS

PORTFOLIO  | [React.js](#), [Tailwind CSS](#), [Express.js](#), [Web3Forms](#)

Jan 2026

- Designed and developed a personal portfolio site using React.js, Tailwind CSS, and Express.js with Web3Forms integration for contact functionality and project showcasing through a responsive and user-friendly interface..
- [Live site here](#)

Smart Canteen System  | [React.js](#), [Tailwind CSS](#), [Express.js](#), [MongoDB](#), [Razorpay API key](#)

Apr 2026

- Designed and deployed a full-stack canteen management application using the MERN stack, delivering 10+ core features including online food ordering, real-time order tracking, user authentication, and role-based dashboards as part of product development..
- Developed 15+ RESTful API endpoints with Express.js and MongoDB to streamline order processing and integrated automated email notifications via Nodemailer, enabling instant order-status updates for users through system integration..
- Implemented role-based access control (User/Admin) using JWT and object-oriented programming principles, applying design pattern thinking for maintainable authorization flows and enabling secure login, menu management, and order status updates..
- Integrated Razorpay test payment gateway and Cash on Delivery functionality, validating 100% of critical payment and order-management APIs through Postman test case execution to ensure reliable transaction processing..
- [Live site here](#)

TECHNICAL SKILLS

Languages: Java, C, JavaScript, SQL, Python, TypeScript

Frontend Development: React.js, HTML5, CSS, Tailwind CSS, Bootstrap, Angular, Vue.js

Backend Development: Node.js, Express.js, Next.js, MongoDB, JWT

Tools and Platform: GitHub, Git, Postman, VS Code, AWS, Unit Testing

Soft Skills: Strong debugging and problem-solving skills, Effective written and verbal communication, Team collaboration, Adaptability.

ACHIEVEMENTS & EXTRACURRICULAR

Spark National Level Symposium on Project competition

Apr 2026

Individual Contributor

Nagpur

- Secured 1st position in Spark-2026 22nd National-Level Symposium Project Competition by developing the full stack web application named Smart Canteen System with features like Online payment integration.
- View Certificate. [↗](#)

Rotaract Club KDKCE

Sep 2024

Sports Head

Nagpur

- Served as Sports Head of the Rotaract Club, leading the planning and execution of sports events while coordinating with volunteers and participants.
- View Activity. [↗](#)

CERTIFICATIONS

- Complete Web Development - Udemy [↗](#)
